A Spacious Three-Bedroom Apartment Steps from Marbella's Promenade – Sea Views from Every Bedroom

A genuine opportunity: a generous three-bedroom flat a short walk from Marbella's seafront promenade. All three bedrooms look out to the sea. The beach is practically on the doorstep; the Old Town is about five minutes on foot. Bars, restaurants, boutiques and supermarkets are a few steps away — so you can use Marbella without needing the car.

132.88 m². A large living room with high ceilings, elegant marble floors and a floor-to-ceiling mirrored wall that opens the space and brings in light. Classic bones with contemporary touches. Built-in shelving in two of the bedrooms, fitted wardrobes and plenty of storage. Kitchen and both bathrooms fully renovated; the bathrooms have a bath and a separate shower.

The complex has a communal rooftop pool with open mountain views — a place to sit in the sun without leaving the building. A private garage space in the same building is included in the price.

Close enough to the sand and the old town for everyday living, for a second home, or for rental
