Presenting a contemporary, newly constructed apartment (completed in 2024) in one of Fuengirola's most sought-after locations — Avenida Andalucía 9. This bright and stylish home combines modern design with practical comfort, making it ideal as a permanent residence, holiday home, or investment.

As you step inside, you're welcomed into a generous open-plan living area that seamlessly integrates the living room and a modern kitchen with an island. The kitchen is beautifully finished with warm wood tones, sleek cabinetry, and quality fittings — perfect for everyday living and entertaining.

The apartment features two good-sized bedrooms, including a main bedroom with an en-suite bathroom. Additionally there is a separate guest toilet positioned conveniently off the hall.

One of the highlights of this property is the 5 m balcony, which overlooks the pool area — a lovely spot for morning coffee or evening drinks. From the hallway outside the apartment you also enjoy views towards the mountains with a southeast orientation that brings in abundant natural light.

With 87 m² of constructed living space, this home offers both comfort and functionality.
