A charming Finca located in Los Hidalgos. A lovely house nestled within rolling hills with spectacular country views, with the grounds leading all the way to the river. Whilst in the heart of nature, it is unbelivable to think you are just a couple of minutes drive away from the coast, the shops, restaurants, and Marina of Duguesa. A secret haven. The Finca has four different plots which equate to approximately 10,000 m2 of land. The main plot has a bungalow with private garden and swimming pool, The surrounding plots include a paddock for horses and stables - a perfect home for someone looking to keep horses and animals. There is a lovely long driveway leading to the Finca. The main house is south-west facing - it is in good condition with high ceilings and good quality pvc windows. You enter through a covered porch. The main door leads to a living room that has a fabulous beamed high ceiling and a lovely wood burning stove. From here, you can go up a few stairs to a dining room with a Cathedral vaulted ceiling. The kitchen is fully fitted and also has a high vaulted ceiling. The kitchen is a separate room but can easily be made open-plan to the dining room for those who may prefer an integrated living environment. The house has two wings. The first wing has a guest toilet and shower room which can be accessed from the main dining room and from a bedroom. The bedroom has built in wardrobes and direct access through glass balcony doors to the front porch with its views. The other wing from the living room has a big double bedroom that has access to the front porch, an +34 951 123 083 | +44 (0)330 179 8687 | info@idiliqestates.com Local 28, Edificio D, Centro de Negocios Puerta
