Rustic property 5 minutes from Ronda

On the road to El Burgo, in a very flat area with good access from the road.

The plot has an extension of almost 3 hectares, with a part of olive grove and another of farmland. Within its perimeter are the following buildings:

- A small house of about 56 m², consisting of a hall, kitchen, living room, a bedroom and a bathroom.
- A ship of about 350 m², with a warehouse on the top floor of about 126 m².
- Another ship of about 190 m² next to another ship of 67 m².

The farm is completely fenced, has mains electricity and well water.

An ideal property to develop an agrotourism project, school farm,... given its proximity to Ronda and its good access.
