Sometimes, the best moment of the day is coming home.

Here, there could be many more moments like that.

This townhouse in El Chaparral offers space to spend time together and enjoy a little peace and quiet.

Set over three floors, the home has three bedrooms, two bathrooms and a separate toilet. The rooftop terrace invites you to read, soak up the sun and spend evenings outdoors, while the barbecue is perfect for sharing meals with family and friends.

The communal pool is close at hand for a refreshing dip, and a private parking space adds everyday convenience.

The property is sold furnished, so you can start enjoying it from day one.
