Perhaps you're looking for somewhere to escape the dark winter months.

Or a home where everyday life in Spain becomes your own, with sea views we can guarantee will remain. This two-bedroom, two-bathroom apartment in Higuera Bay Residences could be just the place.

Two bedrooms offer space for both privacy and guests. The second bedroom can be reserved for loved ones or used as a home office if you spend longer periods in Spain. Two bathrooms make holidays together more comfortable and everyday life easier when several people are sharing the home.

The communal gym and large swimming pool make it easy to stay active and unwind. The apartment includes two parking spaces and a spacious storage room, where your sports equipment and personal belongings can wait, ready for your next trip to Spain. Looking for a quiet place to work? Head downstairs to the coworking space.
