Its prime location, characterized by a single main entrance and exit, ensures privacy and tranquility for any prospective project. Within this generous plot, two villas are nestled. The main villa, boasting 5 bedrooms and 3 bathrooms, offers easy access to the village center on foot. It serves as an idyllic retreat for a tranquil family vacation, affording enchanting views of the village and the Ronda mountains. Crafted in the typical Andalusian style, this house incorporates local wood, Ronda tiles, ancient doors, and indigenous materials.
