This villa was completely renovated 5 years ago.

Originally a 3-bedroom property, it has been redesigned to have 2 bedrooms and the option of a separate guest apartment, ideal for rental.

It is distributed over two levels.

On the upper floor, with direct access from the street, there is an elegant open-plan L-shaped space that integrates the living room, dining room, and kitchen. The spacious master bedroom, with a dressing room, built-in wardrobes, and en-suite bathroom, is also located on this level.

Large windows added during the renovation provide light, a sense of spaciousness, and a stylish design. From here, you can access a magnificent terrace with beautiful views of the surrounding area and the sea.

Key features include:

- Parking space
- Solar panels
- Tourist license (lower floor)
