Located close to the popular port of Fuengirola, this penthouse is on two levels. On the lower level there is a hall, two bedrooms, a fully equipped kitchen, a living room and a bathroom. From the living room you have access to a glazed balcony, ideal for relaxing in the shade. On the upper level there is a large roof terrace with a private pool and a pool house equipped with a separate kitchen and lounge. Here you can enjoy sun, food and swimming while admiring the fantastic view. The residents also have access to common facilities such as pool, garden, lift and garage. The location is very attractive with proximity to the beach, harbour, shops and restaurants. Don't miss the chance to own this exceptional apartment. Contact us today to book a viewing and take the first step towards making this penthouse your new home.
