This is the one for you who appreciate a location from where you have everything within walking distance. No hills, no hurdles - you walk to the beach, restaurants, supermarkets, shops, schools etc in minutes...literally. In addition, you get a groundfloor apartment in one of the most sought after urbanizations, with two bedrooms, two bathrooms, a large south-east facing terrace and private underground parking. This one should tick most of your boxes, so waste no time. Contact us for a viewing and we will make it happen.
