As the Good Book says, "Thou shalt have no other corner townhouses before me"! This ladies and gentlemen is perfection per definition – the mother of townhouses. A spacious corner unit with four bedrooms and three bathrooms, solarium, balconies a huge terrace area, magnificent panoramic views, private underground garage, plenty of space for storage, several swimming pools – all inside this gated and highly attractive community. There's something about this house that makes you feel at home as soon as you go through the front door. Plenty of pictures and a video available, but this one should really be admired on site to give it justice. You will not regret it.
