Let me show you a very special villa in one of the best and most private areas of Marbella. The house has beautiful sea views, mountain views, and is next to a quiet pine forest — a place where you feel relaxed the moment you arrive.

The villa has 5 bedrooms, each with its own bathroom, a big garage, a storage room, a private elevator, and a fantastic solarium on the roof with panoramic views. You also have your own private pool on the ground floor.

The property is part of a well-known residential complex with 24-hour security, a communal pool, gym, and spa. There are 58 villas in total, and the whole area feels calm, safe, and close to nature — but still very close to the luxury of Marbella.

Here, every day feels special:
