This is a lovely situated bright and sunny garden apartment. On the ground floor there is a semi open kitchen and a good size living room with a fireplace. On this level there is also a full shower room. The living room leads out to a large terrace which directly leads out to the communal garden with good size pool. In the first floor there are two double bedrooms and another bathroom. Their main bedroom has a nice terrace with a view over the garden. This is a ready to move in apartment located in the heart of Calahonda with everything on your door step and within walking distance to the beach.
