Two-bedroom townhouse located at the top of the Doña Julia Golf resort in Casares Costa, offering panoramic views of the countryside and the Mediterranean sea.

The property combines a modern interior layout with multiple outdoor terraces, making the most of its elevated position and natural surroundings; and is arranged across three levels.

The top floor features two en-suite bedrooms, including a spacious principal bedroom suite with a large bathroom incorporating both a separate bath and a walk-in shower, as well as a dedicated "walk-in" wardrobe area. Each bedroom benefits from access to terraces that maximise light and views.

The main living area is designed with an open-plan layout, combining a modern kitchen with the lounge and dining spaces. Large French doors connect the interior to exterior terraces. The downstairs terrace features a private plunge pool.

On the lower level, a large basement has been fitted with a gym and bathroom but offers flexibility for conversion into additional bedrooms or other uses if required.

The townhouse is just a five-minute drive from the coast, combining the tranquillity of the Doña Julia hillside with convenient access to the beaches and amenities of Casares Costa.
