## ESTATES

From both the living area and master bedroom, you step onto a spacious 54 m<sup>2</sup> terrace enclosed with glass curtains, allowing you to open it fully in summer or close it to create additional living space in cooler months. The terrace leads directly to a private lush garden of almost 90 m<sup>2</sup>, beautifully maintained by the community — and included in the community fees.

Additional features include a private parking space, storage room, a communal swimming pool, well-kept gardens, and a gym.

It's the perfect blend of villa-style living — with space, light, and a private garden — yet with the convenience, security, and easy maintenance of an exclusive gated community.

Ideal as a holiday home or permanent residence.
