PLOT

4243 m²

A private hillside home in Pedregales, Estepona, set on a fully usable 4,243m² plot with mature gardens, orchard-style fields and a completely secluded pool area. The approach is fully paved, with a wide private entrance and electric gates, giving the property a private and premium feel.

Inside, the villa offers 343m² of practical, well distributed living space across two floors, with four generous bedrooms, four bathrooms and a bright main living area that opens directly onto the pool and garden. The house was built to a high standard and has great fundamentals and solid materials throughout, making any modernisation straightforward.

The outdoor areas are the standout feature: large, established gardens, multiple terraces, full privacy, and open mountain views, and a totally private pool with no overlooking neighbouring properties. A well-built poolhouse offers a perfect veranda to enjoy shade, and while the interior is currently used for storage it could easily be converted to a guest-house.
