We present this fantastic property located in one of Málaga's most sought-after areas: Alameda de Capuchinos, just a few minutes' walk from the historic centre and surrounded by all essential services for everyday living.

Situated on the second floor, the property offers 107 m² built area, comfortably and functionally distributed into 4 bedrooms and 2 bathrooms, making it ideal both for families and for those seeking an excellent investment opportunity in a strategic location.

The apartment stands out for its brightness and spacious rooms. The living room enjoys abundant natural light throughout much of the day thanks to its orientation and large windows, creating a warm and welcoming atmosphere.

The property also features a fully equipped independent kitchen with a practical separate laundry area, providing extra comfort and storage space.

One of its main added values is the large private parking space included in the price, with easy access and manoeuvrability — a true luxury in this central area of Málaga, where parking is especially limited and highly sought after.

Its excellent location, very close to El Ejido and the University Campus of Málaga, also makes it a great investment opportunity for both residential and student rentals.

In addition, you will enjoy the essence of Málaga just a short walk away: culture, gastronomy, shops, leisure areas and the vibrant historic centre, while still benefiting from the comfort of a well-established and well-connected residential neighbourhood.

A bright, well-distributed property with a rare added value in Málaga city centre: space, location and private parking all in one home.
