The property is set within a well-established and highly regarded residential complex in Mijas Costa, offering beautifully maintained communal gardens, a swimming pool and private gated parking for residents, with remote-control access.

The apartment comprises two bedrooms, two bathrooms, a spacious and bright living-dining room and a separate kitchen.

The outdoor space continues to the rear and side of the property, where there is a patio and a private garden of approximately 40 m². Thanks to its sunny position, this area offers plenty of possibilities, whether as an outdoor dining space, relaxation area, chill-out corner or a practical and enjoyable space for those with pets.

Another interesting feature of the property is its position within the building. Although from the front it is situated at approximately third-floor level, providing privacy, a sense of openness and unobstructed views, access from the rear is practically at ground-floor level, making entry to the property particularly convenient.

A very complete option ?for ?those ?looking ?for ?a home ?with generous outdoor ?areas, excellent ?orientation and ?a ?quiet residential setting, ?whether as ?a permanent residence, ?holiday ?home ?or ?investment ?property ?in ?Calahonda.
