Med Hills is a modern, gated residential community with controlled access, three outdoor swimming pools, landscaped green areas, children playground and sun terraces with loungers and parasols. Residents also have access to a wellness area with sauna, gym, changing rooms and additional communal facilities.

Another important advantage is that this is now a resale property rather than a purchase directly from the developer, meaning the applicable purchase taxes are lower than those payable on a brand-new property. With no 2-bedroom apartments remaining for sale directly from the developer, this is an excellent opportunity for anyone specifically looking for this layout within Med Hills.
