A Fantastic three bedrooms two bathroom corner apartment with a very spacious living room leading on to another large terrace area that is fully glazed and offers wonderful views including the sea! There is also a further area uncovered outside of this terrace that goes all the way around the corner. The apartment is an (elevated) ground floor facing south and east so receiving the sun throughout the day in all the different rooms. The apartment comes with an underground garage and store room and is being sold unfurnished, holiday rentals are not permitted. The complex where this is located is one of the best complexes of Riviera del Sol offering a pool snack bar open all year, a small gym and library area where you can chill out reading or just meeting your neighbours. This property will not be on the market very long so early viewing is recommended.
