beach, as well as the A-7 and San Luis de Sabinillas, located approximately 1 km from the N-340, the main communication axis of the Costa del Sol, from where you can access neighbouring towns and places of interest, such as El Puerto de Sotogrande, Gibraltar or the municipalities of San Roque, among others. This Andalusian municipality in the province of Malaga is 33km west of the capital and 30km north of Marbella, and although it has traditionally been an agricultural municipality and with some importance in the production of ceramics and the extraction of marble, currently, tourism, construction and hospitality have taken almost all the weight of the local economy. In the vicinity you can find sports facilities, golf courses, and a varied offer of clubs and restaurants. It is a unique opportunity to acquire this magnificent home at an exceptional price and that you can take advantage of both for your tourist and residential investment. Are you going to let it get away? NOTICE: the information contained in this advertisement may be subject to errors or omissions.
