MAGNIFICENT semi-detached house, bright, recently refurbished. The house is on the corner and gets lots of light. It was refurbished a few years ago, with a modern and diaphanous design: enlarging the kitchen and the living room, putting large windows that go out to the terrace, new bathrooms, and creating a dressing room, among other changes. The terrace is 30m², south facing, where you can enjoy the sun almost all day long and views to the communal garden and the sea. Directly below the house is the private garage/study area of 40 m², with automatic door. The complex has a large garden area and communal swimming pools. Located a few metres from the Sport Club, and a few minutes drive from the beach, the train station of Carvajal, the access to the A-7, the shopping centre, Benalmádena Pueblo and Fuengirola. The urbanisation has 24h security, video surveillance in the streets and internal transport for residents. An ideal property for family living.
