The architecture and design focus on highlighting the terraces, which are designed to capture the natural light and sea breeze of the Costa del Sol, as well as offer sea views.

The gated community includes communal areas with a swimming pool, chill-out zone, and a gym with a sauna—everything needed to enjoy leisure time.

Each of the 70 homes includes 2 full bathrooms, 2 parking spaces, and a storage room. Completion is scheduled for October 2027.

All residences come with fully fitted kitchens equipped with top-brand appliances. The homes are designed for comfort and versatility, with open and optimized layouts.
