A fantastic opportunity to renovate and add value in one of the most sought-after golf locations on the coast.

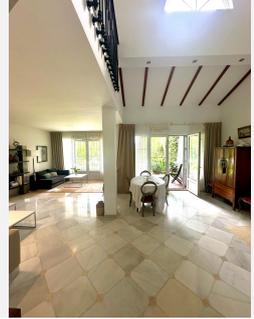

This 3-bedroom detached villa sits frontline to Guadalmina Golf, offering open, uninterrupted views across the fairways and a peaceful, green setting. The property is in need of renovation, making it ideal for investors or buyers looking to create a bespoke home in a prime location.

Set on a generous plot, the villa benefits from a large private garden with plenty of space to add a swimming pool, outdoor entertaining areas, or landscaped gardens to fully maximise the lifestyle potential.

With its frontline golf position, great orientation, and strong resale potential, this is a rare chance to transform a property into a standout home or profitable investment in Guadalmina.
