This is a beautiful detached traditional country house located just 1km from the bustling town of Alhaurín el Grande. The property has been recently renovated and is divided into 2 separate living areas. Upstairs there are 3 bedrooms, a family bathroom and a WC, modern fully fitted kitchen and a living-dining room with log burner. This room has a full-height window making it very bright and airy and offering panoramic views. Downstairs is a large open plan room ideal for family/guests with a shower room, a kitchen area which hasn't yet been fitted. Next to this room is a large storage room that could be converted into additional accommodation and a carport for 2 cars. Outside is a lovely covered pool and terrace with shaded areas for al-fresco dining. The property is surrounded by a nice mature garden. There is also a large deposit tank at the rear of the property.
