This cozy two-bedroom apartment is situated within the desirable area of Mijas Golf. The property offers an ideal combination of modern conveniences and a prime location, making it a promising prospect for those seeking comfort and proximity to essential amenities. Set on the hillside, the apartment enjoys all year sun and 360 beautiful views of the surrounding mountains, communal gardens, and the inviting communal pool. Its generous built area of 122.62m² ensures ample space throughout the home.

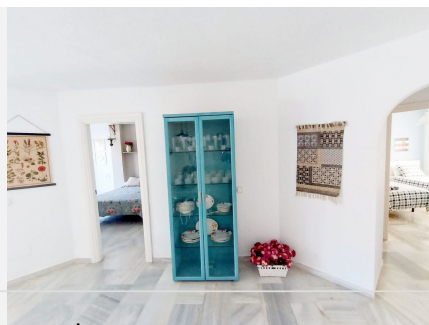

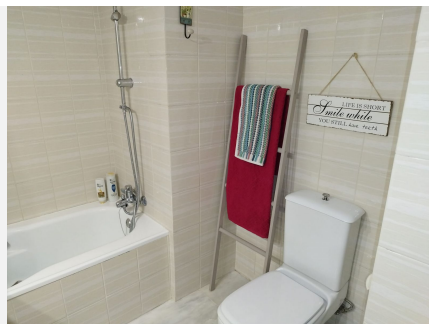

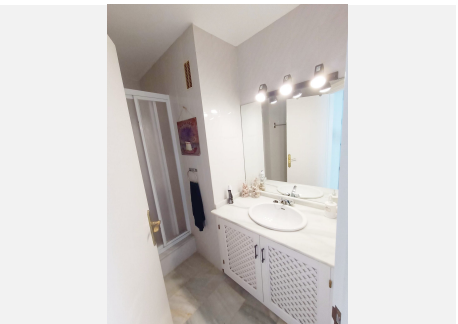

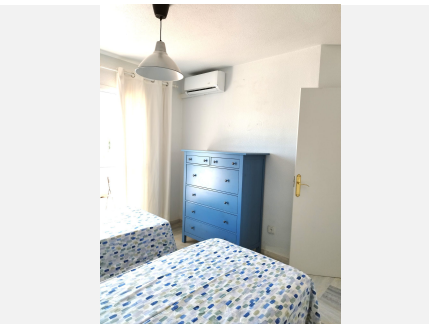

The apartment comprises two well-proportioned bedrooms and two stylish bathrooms, including one en-suite for enhanced privacy. The interiors are fully furnished, complemented by a fully fitted kitchen that caters to modern living requirements. The living and dining rooms create a welcoming setting for relaxation and entertaining, while individual air conditioning units guarantee comfort year-round. The two terraces provide further spaces to enjoy the Mediterranean climate and the property's scenic vistas. There is possibility to enlarge the kitchen, one of the bedrooms, or to build a 3rd bedroom using one of the terraces.
