A unique, modern and functional residential complex creating an ideal place to live.

The promotion consists of 90 semi-detached houses and some semi-detached houses with 3 and 4 bedrooms, all of them with large terraces, as well as sea views in a large number of them. Some homes have private garages, located in the basement and with direct access from the home.

The common areas are undoubtedly one of the great advantages that will make your life much easier and more pleasant. For this reason you can find an excellent community area with landscaped spaces, swimming pool, gym, sauna and social-gourmet room.

We have taken care of every detail to turn this development into your future home. For this reason, we offer attractive homes with balanced distributions and open rooms that have been equipped with first-class qualities. In addition, they will have a wide catalog of customizations to adapt them to the taste of each owner with the possibility of incorporating a lift.
