The serene life offered by this new development is a unique experience. Sixty-nine villas starting with a first phase of 23 units. Their architecture reinvents the traditional Andalusian style. A carefully chosen south-facing orientation and breath-taking views of the Mediterranean sea complete a development next to one of the most prestigious golf courses in the area, the El Chaparral Golf Club.

The architecture of the sixty-nine villas blends with nature and reinvents the traditional Andalusian style. A refuge where the natural beauty of the environment merges with a passion for golf, water sports and the slow life.

The spacious terraces are much more than just an outdoor space. Their smart design allows for a fluid and harmonious connection between the interior and exterior spaces, making them the perfect place to admire the spectacular sea views and experience the
