This modern 3-bed 2.5 bathroom Duplex Penthouse in La Cala is not only a fantastic holiday home investment but also an ideal family home.

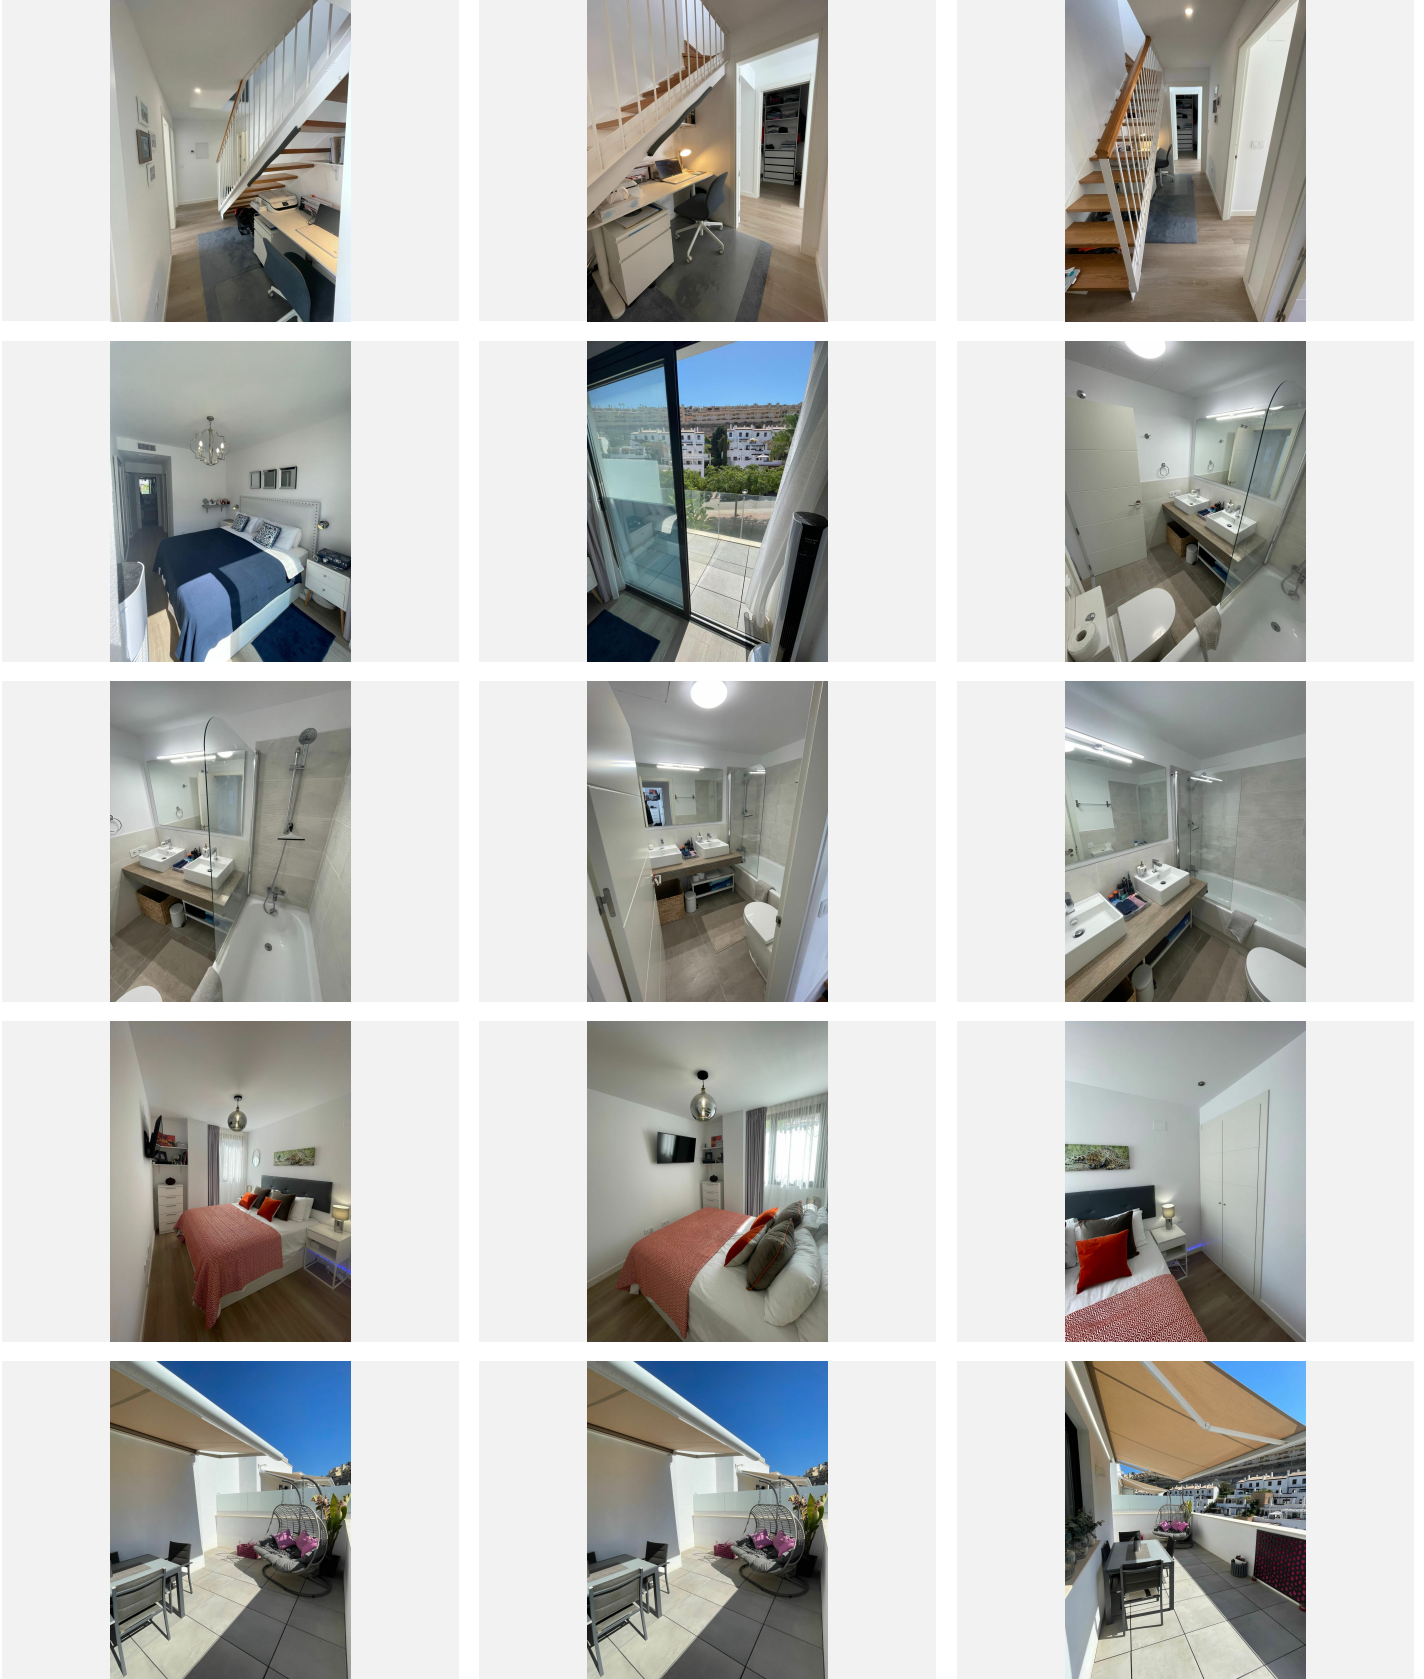

Built in 2019, it is part of a well-established complex overlooking La Noria Golf course. Its conveniently located within a short walk to the centre of La Cala, the beach, La Noria Golf course, bars, restaurants and supermarkets (including Lidl and Aldi) and the upcoming Carrefour supermarket in La Cala is also within a 10-minute walk. Unlike many properties that claim to be in La Cala but are not within walking distance, this one truly is.

The property features a bright and spacious top floor duplex with three double bedrooms, two bathrooms, and a guest WC. The kitchen and lounge area are open plan, and there are two large terraces at the front and back of the property. These terraces face east and west, ensuring sun or shade throughout the day. Both terraces have awnings, and the master bedroom has an additional balcony. The master bedroom includes a dressing room and an en-suite bathroom, while the other two bedrooms have built-in wardrobes. The two bedrooms share a family bathroom, and there's a guest WC off the living room.
