The flat is located on a ground floor with beautiful south-west facing sea views where you can cosy up on the terrace to enjoy all the peace and nature.

It consists of an entrance hall with a storage cupboard, a small bathroom and guest room with access to a small terrace to the side, as well as the master bedroom with the bathroom next to it has access to this terrace.

Very nicely finished and definitely worth a visit!

The development has a communal pool for now, but there is a clubhouse and an additional pool with snack bar under construction. As well So this will definitely be a plus if you are looking to invest!
