Discover this charming apartment in the heart of Marbella, where comfort and location are in perfect harmony. Located a step away from the old town, this home will allow you to enjoy the magic of its streets, as well as the proximity to supermarkets, health centers and all the services you need in your daily life. With two bedrooms, two bathrooms and a large kitchen ideal for sharing unique moments, this apartment is a cozy refuge. The 12-meter terrace, facing west, gives you unforgettable sunsets and warm light that floods every corner. The built-in wardrobes and common areas, which include a communal pool, make this place a space full of comfort and style. In addition, you have the option of purchasing a garage for 30,000 euros, thus completing the experience of living in such a special environment. This apartment is not just a property, it is the possibility of building a life full of unique moments in one of the most desired areas of the Costa del Sol.
