Middle Floor Apartment, Málaga, Costa del Sol.

Spacious apartment in front of Malaga's Litoral Park with panoramic green views. This home, in perfect condition, has two large bedrooms and two full bathrooms, designed to maximize comfort and functionality. In addition, it has a large 24m² glazed terrace as an additional living and dining room.

Thanks to its south orientation, every room is flooded with natural light from early morning, while the terrace is enabled as a room for different uses: office, gym, bedroom, living room, etc.

Located on the first exterior floor of a seven-story building with only three neighbors per landing, it offers both privacy and the closeness of a welcoming community. The elevator communicates directly with the parking space, included in the price. The central air conditioning by hot/cold pump guarantees the ideal climate in any season, and the common areas – swimming pool, playground and garden – ensure maximum enjoyment.
