Very high quality and beautiful one bedroom apartment near the beach. This lovely little apartment is located right next to the sea in the heart of Fuengirola, close to all amenities. It is located on the 11th floor of a building with three elevators. The terrace has stunning views over the port and the Mediterranean Sea. The apartment has been renovated with very high standards. It is sound and heat insulated, which means that the city nightlife won't disturb your sleep. The design and decoration of the apartment has been done with great care, with a result that is beautiful and functional. The one bedroom has sliding doors between it and the living room. Meaning you can have privacy or open them up to make the apartment feel much more spacious. Both rooms have air conditioning (hot/cold) The kitchen and bathroom are of a very high quality and well equipped. All windows have double glazing and there is high-speed internet access. The apartment is sold with furniture. There is a swimming pool in the house community. This apartment is ideal as a second home for a person or couple who appreciate quality and a great location. It is a very good investment for rental use since it rents out very easily and brings a stable good income. All necessary tourist licenses are valid.
