Live in paradise, El Paraiso, is the name of this building on the promenade in Fuengirola. Very central location but still quiet as it is located next to a square and therefore a bit away from the traffic along the promenade.

The apartment on the second floor has a fantastic view of the harbor and has a hall, living room with open kitchen, a separate laundry room, two bedrooms and a bathroom with shower. From the living room and the master bedroom you have direct access to the 15 m<sup>2</sup> glazed terrace facing south.

The building is very well maintained and the staircase and facade were renovated a couple of years ago.

The apartment is sold furnished.

At the back of the house there is a private parking space.
