This is a smart investment opportunity in one of Marbella's most sought-after locations, just a short drive from Nueva Andalucía. This spacious three-bedroom apartment offers plenty of scope to add value. You could reconfigure to create a fourth bedroom or modernise the interiors to boost rental appeal and long-term equity.

Set within a respected Benahavís community, the apartment combines lifestyle, convenience, and strong potential. The open-plan living areas are filled with natural light and flow directly onto a generous terrace where you can take in views of the sea, mountains, and golf course. It is the kind of setting that works for quiet mornings as well as entertaining in the evening.

The master bedroom includes a walk-in wardrobe and ensuite bathroom. The two additional bedrooms share a second full bathroom. Two of the bedrooms face towards the sea, while the third overlooks the golf course, giving each one its own unique outlook.
