Fully renovated frontline golf duplex in Aloha: two bedrooms, two bathrooms, private solarium, golf and mountain views and everything within walking distance.

Designed for those who want to arrive, unpack and simply enjoy Marbella, this top-floor duplex has been completely renovated, so there is nothing left to do but tee off. The open-plan kitchen and living area flow onto an east-facing terrace, where mornings begin with coffee in the sun overlooking the fairways and the mountains beyond, and afternoons stay pleasantly shaded through the warmest summer hours.

Arranged over two levels, the home offers a spacious master suite with its own en-suite bathroom, a second bedroom ideal for family, friends or a golfing partner, and a further bathroom, all finished to a high standard. An internal staircase leads up to the beautifully renovated private solarium, an outdoor space entirely your own for sunbathing, sundowners and long evenings under the stars. A storage room and utility room keep everyday life effortless.
