This 153m² top floor apartment is ideal for families seeking comfort and space. Located in a peaceful urbanization developed in the style of a traditional white Andalusian village, the apartment overlooks the Golf course in Torrequebrada. It features a swimming pool, private parking, and underground storage. The property includes a large living room which leads out onto a south facing sunny terrace, perfect for family and entertaining guests, an independent kitchen with separate utility area, ample storage, 3 bedrooms with fitted wardrobes and two light and modern bathrooms. Additionally, there is a second private terrace, accessed from the master suite, ideal for relaxation with clear views to the golf course and to the sea. The apartment has three bedrooms, one with an ensuite bathroom, and an additional modern bathroom. The private underground parking space and storage room provide additional practicality and the communal facilities provide entertainment for the whole family with indoor play areas, gym, sauna, pool and more! The apartment's excellent location is within easy walking to a children's playground and bar/café, an international school, 2 commercial centres and a supermarket, all within a tranquil and comfortable living environment.
