The Artola Homes residential complex is located in the exclusive Cabopino area also known as the oasis of the Costa del Sol. This gated and secured complex has been designed to offer residents the finest resort luxuries and has set new standards for residential developments in the area.

Artola Homes apartments are located right next to the golf course and offer great sea views. There are two types of home: penthouse apartments with a magnificent rooftop terrace and ground-floor apartments with a private garden. All properties offer floor to ceiling windows allowing natural light to enter and amazing terraces. Our listing is a fully furnished 4 bed 3 bath penthouse apartment with peninsula bar kitchen featuring NEFF appliances, integrated LED lighting, large-format porcelain tiles through-out, two private parking spaces, a storeroom and plunge pool included. On top the property has a holiday rental license and all interior furniture and outdoor terrace furniture stays with the house, so good opportunity to continue the existing rental business.
