The property also features a lovely outdoor terrace adjacent to the kitchen, perfect for barbecues or relaxation, as well as a separate room ideal for laundry or additional storage.

In terms of quality, the combined hardwood and porcelain tile flooring, double-glazed windows ensuring excellent insulation, and central air conditioning, complemented by a split system in the extended living area, are particularly noteworthy.

Thanks to its southeast orientation and being entirely exterior-facing, the property enjoys abundant natural light throughout the day, creating a warm and inviting atmosphere.

A parking space and a large storage room are included. A second parking space is available for €17,000 (not included in the price).

Located on the second floor with elevator access, the property also offers added tranquility as it does not share walls with neighbors on the same floor.

The complex features a communal swimming pool and landscaped gardens in a peaceful setting with few neighbors.

We would like to inform you that our agency fees are already included in the sale price, so you will not have to pay any additional costs for management or real estate advice.

In compliance with Decree 218/2005 of the Andalusian Regional Government, dated October 11, please note that notary fees, registration fees, property transfer tax (ITP), and other expenses related to the sale are not included in the price.
