Ground floor apartment Frontline golf in Guadalmina Alta . The apartment has 3 bedrooms and 2 bathrooms , big living and dining room , big kitchen . It also has an underground parking space and a storage room . It s perfect has a second residence or even as a first because the apartment is big enough to be able to live there the whole year . There is 2 pools in the urbanization . The location is also perfect , walking distance to San Pedro town where you can find all shops , bar and restaurants . Close to public transport as the bus . The apartment is livable as it is but could be better if you change the kitchen , bathrooms and make an open plan kitchen ! That would give a very big open space as soon as you come inside of the apartment . Price is also good compromise for what you get in that location . !!! Need to be seen !!
