Beautiful Semi-Penthouse situated front line beach in Fuengirola. The apartment is on the side of the block but has a huge private terrace that has sun from early morning to late evening. Amazing views over the mountains and Mediterranean Sea. Completely refurbished to high standards. A one of a kind in Fuengirola completely finished inside, Terrace a the entire bloqué refurbished by community and estimated to finish April 2024. The floor on the terrace will be the same as the interior floor. The outside of the bloqué will be as seen in white and blue and all new railings in white aluminum.
