El Madroñal is a prestigious and exclusive residential area located in the hills above San Pedro de Alcántara. This recently renovated villa offers 6 bedrooms and 7 bathrooms, with expansive views over the Mediterranean Sea and surrounding mountains. The villa is situated on a 5,500m² plot, offering you a private slice of nature. As you sit out on the 170m² terrace, let yourself be swept into deep relaxation, basking in the sun, enjoying peace and quiet, and the soft aroma of pine. With 2 double garages and a double-space carport, secure parking is no problem. Your new villa is ready to be moved into; we have the keys, and viewings are always welcome!
