Welcome to your future home in one of the best urbanisations in Malaga! This stunning detached house boasts a privileged location in a secure and select environment. Situated in one of the most outstanding urbanisations in Málaga, it offers first class services, including private security 24 hours a day, 365 days a year, a daily minibus service within the urbanisation, public bus connections to the city, general maintenance and gardening, and a tennis club with sports facilities, swimming pools and restaurants. The house is strategically oriented to the south, offering magnificent views of the Bay of Malaga, as well as excellent natural light and temperature all year round. On a plot of 841 square metres, the house occupies 272 square metres, leaving 569 square metres free. The total construction is 758 square metres, with a usable area of 357 square metres. The house, built with high quality materials and a modern style, has an anti-seismic structure and has been completely renovated. It is in an excellent state of conservation and maintenance, with recent painting both inside and outside. In addition, the swimming pool has been completely renovated and new installations have been added, including photovoltaic solar panels with self-consumption, connection for electric vehicles, covered parking, new alarm system, video intercoms on all floors, Wi-Fi coverage system and an extension in its habitability in the semi-basement, which now has an independent flat complete with three bedrooms, living room, kitchen and bathroom. The house is equipped
