An apartment with one of the best and most desired locations in Fuengirola. Only 10 minutes walk from the beach and surrounded by all the facilities you can imagine. Restaurants, bars, pharmacies, groceries, dentists, etc. within a radius of 200 meters. However, the apartment is on a small side street, which means that life outside can go on without disturbing you when you sit on the terrace. The apartment is easily accessible in an area that is flat and easy to get around in, this apartment is also suitable for anyone with reduced mobility. The apartment is bright and modern and has an open plan solution. The area is very attractive so whoever buys this apartment will not lose their investment.
