LOVELY TOP FLOOR APARTMENT A must-see, top floor apartment that provides a true front line golf experience. This lovely property offers two bedrooms, two bathrooms, a recently reformed large kitchen and open plan living and dining room. The apartment itself feels larger than its size, is light, airy and provides a myriad of fantastic mountain, national park, and golf views. Both bedrooms are of a generous size as are the kitchen and lounge. The primary ensuite bathroom is large and spacious. The off-lounge terrace whilst compact is extremely practical and is very usable, with fabulous, front-line golf, mountain and forest views. This apartment is in arguably the best building the community has to offer. Looking attractive and feeling both personal and secure. The apartment offers privacy and will satisfy those looking for peace and serenity. There is secure underground parking and lift access to the apartment. Compared to many apartment complexes, this building offers a premium and high-end feel. The opportunity to purchase a property in this building and especially on the top floor seldom comes available and will suit those looking for an investment, long-term rental income, as a lock-up and leave holiday home or for permanent living. The Pueblo Andaluz urbanization is highly regarded as being one of the, if not the best communities and boasts a resort like swimming pool with waterfall and beautiful gardens. Alhaurin Golf is well placed for Mijas, La Cala, Fuengirola, Malaga Airport, Marbella and beyond. There are several beaches and golf courses within
