Designed by Schiemann Weyers Architects (Rotterdam) and OCWA Architects (Marbella), Bougainvillea guarantees quality and sophistication. All apartments are south-facing to maximise exposure to the Estepona's mild winters and yearround natural light. The surrounding area boasts the coast's most celebrated beaches and marinas, as well as world-class golf and equestrian clubs. Standard and Premium interiors have been meticulously designed by our architects. All apartments are equipped with underfloor heating, Schneider light switches, intelligent locks and air conditioning, as well as water-saving bathroom and kitchen fittings. Fully fitted and equipped kitchens. German Villeroy & Boch bathroom taps. Sliding doors unite the terraces and living areas as one, harmonising indoor-outdoor living. Some units are designed with movable walls to adapt to evolving families. Wooden Mallorcan blinds provide shade and allow air to circulate.
