This beautiful project in Nueva Andalucia is the best example of adaptation to a unique natural environment, with numerous spectacular tropical gardens of over 13,000 square meters with a beautiful swimming pool and small lake. The project consists of excellent luxury apartments on a plot of 26,000 square meters and with a typical Mediterranean design and was designed by professional architects, and as a result, it consists of a beautiful design and layout that blends perfectly into the sun-drenched exotic landscape surrounded by gardens and palm trees. This two bedroom apartment on the ground floor has a very spacious luxury kitchen with all appliances, utility room, a large living room with access to the partly covered terrace and 2 bathrooms, 1 of which is en suite. The terrace overlooks a beautiful swimming pool. The apartment comes with a parking space in the underground garage and a storage room.
