Beautiful and spacious corner house, ideal for large families, located in the peaceful and charming area of Casares. This corner house in Secadero is the perfect option for those seeking a spacious, cozy home surrounded by natural beauty. With a northeast orientation that ensures natural light for most of the day, this property combines comfort and functionality in an unparalleled setting. With a built area of 262 m², this home perfectly meets the needs of a family. It features five large bedrooms and two bathrooms, with the potential for an additional bedroom and a study, ideal for ensuring space and privacy. Additionally, it boasts a 70 m² solarium, a perfect place to relax, enjoy the sun, or admire the lovely views of the area and the mountains. The design includes a well-maintained communal garden, creating an ideal space for leisure and family bonding. Built in the year 2000 and kept in excellent condition, this property reflects quality and care in every detail, standing out for its elegant marble floors. The home is also equipped with solar panels, a modern feature that is not only environmentally friendly but also contributes to energy savings. Furthermore, its strategic location offers easy access to transportation, facilitating daily mobility. In an environment that combines the serenity of the countryside with the convenience of being close to key services, this house is ideal for those who wish to escape the city's hustle and bustle without giving up modern comforts. Just minutes from golf courses, the harbor, and open countryside, this property presents itself as a perfect place
