Rare opportunity to live almost on the beach and have a private garden in San Pedro Alcántara. This 2 bed 2 bath ground floor apartment has a lovely garden and is 1 min from San Pedro beach and all its restaurants. The property needs renovation as it's never been since 1999 but the location sells itself but knocking down the living wall you can create a fantastic open living/ kitchen and the bathroom can also be opened up to the bedroom in a more modern way. The underground garage has one space but guests can easily park in the street or on the beach boulevard.
