Discover your new home by the sea! This beautiful flat, located in a development that offers a communal swimming pool and gardens, is the ideal place to enjoy the Mediterranean lifestyle. With guaranteed sea views and southeast orientation, natural light floods every corner of its 86 m² of living space. It has 3 spacious bedrooms with fitted wardrobes and 2 complete bathrooms, perfect for the whole family. Built in 2000, it is in good condition and ready to move into. Located on the first floor of a building with a lift, this exterior flat also has air conditioning for your comfort. In addition, you have the option to purchase a parking space for only an additional €9,000. Although it does not have heating, its energy class E ensures moderate consumption. Don't miss this unique opportunity to live in a privileged environment, surrounded by nature and with all the comforts at your fingertips. Come and visit it and fall in love! options parking 9.000€
